

**2013 Fiscal Study Committee  
Minutes  
July 17, 2013**

Attendance: see attached

Chairs: Henry Fitzgerald, Maurice DePalo

At 7:00 PM, Mr. Fitzgerald called the meeting to order and introductions were then made around the room.

After a brief discussion, the minutes of the July 10<sup>th</sup> meeting were amended and then subsequently approved.

Mr. Fitzgerald then initiated a discussion about the Goals and Mission Statement for the 2013 Fiscal Study Committee which he drafted after the previous meeting. Mr. Fitzgerald acknowledged that the general consensus of the group at the previous meeting was not simply to repeat the 2007 study and that there is a desire to explore opportunity costs and trade-offs in the budget. There was some discussion about the importance of educating the public on the work of the Committee and using an executive summary to help accomplish this task. The discussion then turned to examining what decisions have been made since 2007 and to what has happened generally since 2007. There was a motion/second to accept the draft Goals and Mission Statement (all in favor).

Mr. Fitzgerald announced that Ms. Florence Bergquist of Precinct #3 was appointed to the Committee by the Town Moderator. All precincts now have equal representation.

Mr. Fitzgerald then asked each member of the Committee to state an area or areas of interest to study. The following indicates the responses:
