

Beginning on April 4, 2022, weather permitting, the Town's contractor, Ricciardi Brothers Inc., will be rebuilding the Howe Avenue Sewer Pump Station located between houses 134 and 128 Howe Avenue. To complete this work safely, starting on April 11, 2022, traffic on Howe Avenue between Lake Street and Roman Drive will be limited to one direction. Roman Drive, Hylair Drive, and Lake Street will be used to detour traffic. This project is expected to be finished at the end of May.
