Definition

Home Occupation: (amended 11/13/01)

An accessory use which is carried on by the permanent residents of a dwelling unit. Occupations such as preserving or home cooking, repair of portable equipment or appliances, computer and Internet-related occupations, real estate agent, craft manufacturing, giving private music or dancing lessons, but not including a beauty parlor, barber shop, convalescent or nursing home, or similar establishment offering services to the general public.

Section VI Table I

Professional office or customary home occupation. (2) (3)

(2)

1. The profession or customary home occupation is conducted by a resident of the premises.

2. The use is clearly incidental to and secondary to the use as a residence and not in excess of twenty-five (25) percent of the floor area of any one floor.

3. Not more than two (2) persons, other than residents of the premises are regularly employed in connection with such use.

(3) Such uses are permitted provided that :

1. No noise, vibration, smoke, dust, odors, heat, glare, unsightliness or other nuisance is produced which is discernible from other properties.

2. There is no public display of goods or wares and no signs except as permitted in Section VII E.

3. There is no exterior storage of material or equipment and no exterior evidence of a non- residential use of the premises, except signs as permitted in Section VII E.

4. There is adequate off-street parking for any employee or visitors in connection with such use in accord with Section VII D.

I hereby agree and certify by signing below that my business complies with all of the above
