Background

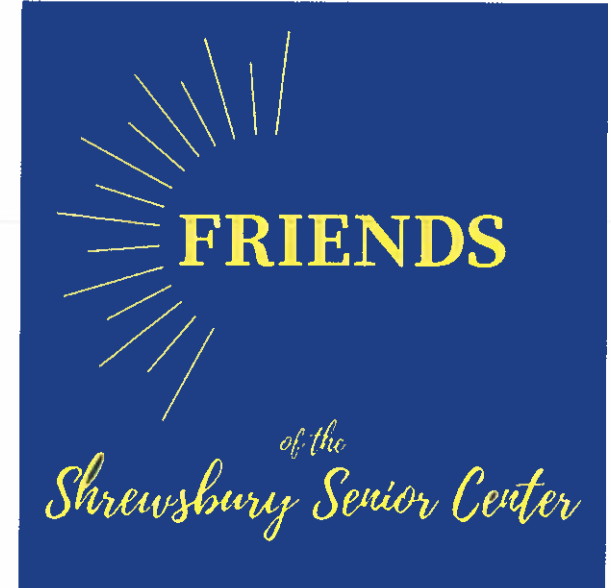

Membership is open to anyone concerned with the needs and well-being of our seniors. People of all ages, whether Shrewsbury residents or not, are welcome to join. The Shrewsbury Senior Center, under the day to day management by the Council on Aging Director, is the facility through which programs and services are offered.

The Council on Aging Board sets policies and advocates for programs and services that will enhance the well-being and quality of life for seniors. The Friends of the Shrewsbury Senior Center is the charitable arm; raising funds for furnishings, equipment, activities and amenities not provided by the Town budget or government and private grants.

Mission

The Friends of the Shrewsbury Senior Center is a 501(c) (3) corporation founded in 1996. Its purpose is to initiate and carryout fundraising activities to provide support for the Shrewsbury Senior Center and to foster and encourage the dignity and independence of seniors in the community. Funds are raised through memberships, special events, donations and gifts.

Needs

There are over 8,000 seniors (over 60) in Shrewsbury, and only 2,000 have come into the Senior Center for programs and activities. We encourage active participation and will strive to make this a more welcoming oasis for seniors of all ages and ethnicities. We need volunteers to greet, tour, work as receptionists, in the kitchen, drive vans, drive Meals on Wheels, etc.

We would encourage all to join the "Friends" and be a part of the major support system for our seniors.

We plan to be more intergenerational and expand our programs with other local COA Senior Centers.

Membership is open to "friends of all ages" concerned with the needs of seniors in Shrewsbury. Your support is vital to the continuance and expansion of our efforts.
