

# Climate Pollution Reduction Strategies **PUBLIC WORKSHOP**

## What is this event about?

The Central Massachusetts Regional Planning Commission is exploring ways to address climate pollution across the Central Massachusetts region. Please join our workshop to share your ideas and concerns for the region. We are focusing on six main sectors:

Waste Management

Industry

Buildings

Agriculture/  
Natural &  
Working  
Lands

Transportation

Electricity

**\*\*Workshop is open to the public.  
Free refreshments and kids activities available on-site.**
