

CHRISTMAS TREE PICK-UP PROGRAM

A single Christmas tree (*real, not artificial*)
may be left at the curb for pick up
on your *RUBBISH* collection day
December 26, 2018 thru January 25, 2019.

You are not required to affix a Bulky Waste sticker
or attach a PAYT bag to the tree.

Reminders:

- This program is for Shrewsbury residents that participate in the Town's Pay As You Throw (PAYT) program.

Place at the curb by 7:00 A.M.

**Routes & drivers are subject to change without notice.*

- Trees must be free of snow/ice, not frozen into the ground, and clearly visible to the collection crew.
- One tree per household.
- All other rules associated with the Town's curbside solid waste collection program remain in effect.

The Board of Selectmen has taken this action as a small token of appreciation for the excellent efforts of Shrewsbury residents in making the PAYT program so successful in 2018.
