Amended through September 9, 2021

BY-LAWS

The term "by-law" goes back to that period of early English History during the Danish invasion. When the Danes acquired possession of an area, the township therein was often called a "by", and as the Danes established laws of their own, they were called by-laws or town laws.

FOREWORD

General By-laws and Legislative Acts which have been voted by the town are contained herein. Also included in this publication are the two acts passed by the legislature in 1953 and accepted by the town which radically altered the structure of town government. These acts, chapter 553 and 559, provide for a town manager and a representative town meeting form of government.

Zoning By-Laws and Subdivision Regulations are published separately. Building Codes, Job Classification and Personnel By-laws are likewise contained in other publications. Also omitted from this compilation are regulations issued by the various town boards and departments. For example, the Board of Health has issued regulations relative to food handling and inspection; the Selectmen have adopted and published traffic rules and orders.

These by-laws have been approved by the Attorney General and published or posted in accordance with statutory requirements. The first edition was published in March, 1943; the second in January, 1963; the third in December, 1973. This fourth edition was published in February, 1990.

ARTICLE 1

REPRESENTATIVE TOWN GOVERNMENT

SECTION 1. For the purpose of electing town meeting members in accordance with the provisions of Chapter 553 of the Acts of 1953, providing for the establishment in the Town of Shrewsbury of representative town government by limited town meetings, the Town shall be divided into six or more precincts.

SECTION 2. In December of 1960, and every four years thereafter, the Town Clerk shall certify to the Selectmen the number of residents at the time of the past Town census, and the Selectmen shall thereupon determine and certify to the Town Clerk the number of representatives for each precinct.

There shall be elected two hundred forty (240) town meeting representatives, who shall be elected by precinct. Each precinct shall be represented in the town meeting by that number of elected representatives which shall bear the same proportion to the total elected membership as the number of residents in the precinct bears to the total number of residents in the town based upon the last preceding town census, as nearly as may be.

SECTION 3. In order to determine the number of representatives for each precinct, the total number of residents as certified by the Town Clerk to the Selectmen shall be divided by the total number of town meeting representatives, or two hundred forty (240). The number which results, rounded to the nearest whole number, shall then be divided into the number of residents in each precinct as reported by the Town Clerk. The whole number which results shall be the preliminary number of representatives for each precinct. The preliminary number of representatives for each precinct shall be added, and, if such number is less than two hundred forty (240), the total shall be subtracted from two hundred forty (240). The result shall be the number of additional representatives which shall be allocated among the precincts by determining the numerical/decimal remainders above their whole numbers and by allocating an additional representative in descending ranking order to those precincts which have the largest remainders until the total number of two hundred forty (240) is reached. In the event of a mathematical tie for the final representative seat, it will be awarded to one of the tied precincts after random selection by the Board of Selectmen.

ARTICLE 21
STORMWATER MANAGEMENT BY-LAW

Section 1. Purpose.

A. The purposes of this Stormwater Management By-law are, among other purposes, to safeguard the public health, safety and welfare; to improve stream health and environmental conditions; to protect the Town of Shrewsbury's water bodies and groundwater from further negative impacts of stormwater runoff; to reduce contamination of stormwater runoff; to protect aquatic and wildlife habitat; to comply with federal and State regulatory mandates of the National Pollutant Discharge Elimination System Program; and to reduce flooding. The following conditions have been identified as contributors to the challenges of stormwater management.

1. Increased and contaminated stormwater runoff is a major cause of impairment of water quality and flow in lakes, ponds, streams, rivers, wetlands and groundwater; contamination of drinking water supplies; alteration or destruction of aquatic and wildlife habitat; and flooding.
2. Regulation of illicit connections and discharges to the municipal storm drain system is necessary for the protection of the Town's water bodies and groundwater, and to safeguard the public health, safety, welfare and the environment.
3. Regulation of discharges to the municipal separate storm sewer system (MS4) is necessary for the protection of the Town's water bodies and groundwater, and to safeguard the public health, safety, welfare and the environment. Increased and contaminated stormwater runoff associated with developed land uses and the accompanying increase in impervious surface are major causes of impairment of water quality and flow in lakes, ponds, streams, rivers, wetlands and groundwater.

In particular, land disturbances can cause harmful impacts due to:

- (a) Soil erosion and sedimentation.
- (b) Impairment of water quality and flow in lakes, ponds, streams, rivers, wetlands and groundwater.
- (c) Contamination of drinking water supplies.
- (d) Erosion of stream channels.
- (e) Alteration or destruction of aquatic and wildlife habitat.
- (f) Flooding.

(g) Overloading or clogging of municipal catch basins and municipal storm drain systems.

B. Therefore, this Article 21 establishes stormwater management standards for the final conditions that result from development and redevelopment projects to minimize adverse impacts offsite and downstream which would be born by abutters, townspeople, and the general public. The objectives of Article 21 are as follows:

1. To prevent pollutants from entering the Town's municipal separate storm sewer system (MS4) and to minimize discharge of pollutants from the MS4.
2. To prohibit illicit connections and unauthorized discharges to the MS4.
3. To require the removal of all such illicit connections.
4. To comply with state and federal statutes and regulations relating to stormwater discharges.
5. To establish the legal authority to ensure compliance with the provisions of Article 21 through inspection, monitoring, and enforcement.
6. To require practices to control the flow of stormwater from new and redeveloped sites into the Town's municipal storm drain system in order to prevent flooding and erosion.
7. To protect groundwater and surface water from degradation and promote groundwater recharge and infiltration.
8. To ensure adequate long-term operation and maintenance of structural stormwater best management practices (BMPs) so that they work as designed.
9. To require practices that eliminate soil erosion and sedimentation and control the volume and rate of stormwater runoff resulting from land disturbances.
10. To ensure that soil erosion and sediment control measures and stormwater runoff control practices are incorporated into the site planning and design process and are implemented and maintained.
11. To require practices to control waste such as discarded building materials, concrete truck washout, chemicals, litter, and sanitary waste at the construction site that may cause adverse impacts to water quality.
12. To establish the Town's legal authority to ensure compliance with the provisions of Article 21 through inspection, monitoring, and enforcement.

Article 21 shall apply to flows entering the municipal storm drain system and construction activities that result in a land disturbance equal to or greater than 5,000 square feet of land or will disturb less than 5,000 square feet of land but is part of a larger common plan of development. The activities prohibited from the municipal storm drain system are illicit discharge, illicit connection, and obstruction. Section 8 further identifies the prohibited activities.

No person may undertake a construction activity, including clearing, grading, and excavation that results in a land disturbance that will disturb equal to or greater than 5,000 square feet of land or will disturb less than 5,000 square feet of land but is part of a larger common plan of development or sale that will ultimately disturb equal to or greater than 5,000 square feet of land draining to the Town MS4 without a Stormwater Management Permit from the Board. The method for obtaining a Stormwater Management Permit shall be published in the rules and regulations.

After the initial common plan construction activity is completed for a particular parcel, any subsequent development or redevelopment of that parcel would be regarded as a new plan of development. For example, after a house is built and occupied, any future construction on that lot (i.e., reconstructing after fire, adding a pool or parking area, etc.), would stand alone as a new common plan for purposes of calculating acreage disturbed to determine if a Stormwater

Management Permit is required. Construction activity does not include routine maintenance that is performed to maintain the original line and grade, hydraulic capacity, or the original purpose of the site; unless it exceeds 5,000 square feet of soil disturbance. (amended 8/31/2015)

Section 4. Authority.

Article 21 is adopted under the authority granted by the Home Rule Amendment of the Massachusetts Constitution and the Home Rule Procedures Act, and pursuant to the regulations of the federal Clean Water Act found at 40 CFR 122.34.

Nothing in this By-law is intended to replace the requirements of any other by-law that has been made or may be adopted by the Town of Shrewsbury.

Section 5. Responsibility for administration.

The Board shall administer, implement and enforce this Utility. Failure by the Board to promulgate such a Stormwater Utility through rules and regulations or a legal declaration of its invalidity by a court shall not act to suspend or invalidate the effect of this By-Law.

Section 7. Rules, Regulations, Permits, and Procedures.

The Board may promulgate rules and regulations to effectuate the purposes of Article 21. Failure by the Board to promulgate such rules and regulations shall not have the effect of suspending or invalidating Article 21.

Section 8. Prohibited activities.

- A. Illicit Discharges. No person shall dump, discharge, cause or allow to be discharged any pollutant or non-stormwater discharge into the municipal separate storm sewer system (MS4), into a watercourse, or into the waters of the Commonwealth of Massachusetts.

 - (3) Springs;
 - (4) Natural flow from riparian habitats and wetlands;
 - (5) Diverted stream flow;

- (6) Maintenance of stormwater BMPs with approved Operation and Maintenance Plans (amended 8/31/2015)
- (7) Emergency work to protect life, limb, or property.

Section 10. Emergency suspension of municipal storm drain system access.

The Board may suspend municipal storm drain system access to any person or property without prior written notice when such suspension is necessary to stop an actual or threatened discharge of pollutants that presents imminent risk of harm to the public health, safety, welfare or the environment. In the event any person fails to comply with an emergency suspension order, the

Authorized Enforcement Agency may take all reasonable steps to prevent or minimize harm to the public health, safety, welfare or the environment.

Section 11. Notification of spills.

Notwithstanding other requirements of local, state or federal law, as soon as a person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of or suspects a release of material at that facility or operation resulting in or which may result in discharge of pollutants to the municipal drainage system or waters of the Commonwealth of Massachusetts, the person shall take all necessary steps to ensure containment, and cleanup of the release. In the event of a release of oil or hazardous materials, the person shall immediately notify the Fire and Police Departments, Board of Health, and the Board of Sewer Commissioners. In the event of a release of non-hazardous material, the reporting person shall notify the Board no later than the next business day. The reporting person shall provide to the Board written confirmation of all telephone, facsimile or in-person notifications within three business days thereafter. If the discharge of prohibited materials is from a commercial or industrial facility, the facility owner or operator of the facility shall retain on-site a written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three years.

Section 12. Fee structure.

Fee Structure. The Board shall obtain with each submission an Application and Review Fee fixed by the Board or its designated agent to cover expenses connected with the application review of the Stormwater Management Permit. Authority for the Board is granted pursuant to G.L. c.40, § 22F and adopted by the Town as part of a general bylaw, Article 17. The Applicant must hire a Registered Professional Engineer (P.E.) to certify that the plans are in accordance with the Town's standards. The Board is authorized to retain professional consultation from applicable Town Departments to advise the Board on any or all aspects of these plans. The Board may waive the requirement that plans must be prepared by a P.E.

Section 13. Waivers.

- A. The Board may waive strict compliance with any requirement of Article 21 or the rules and regulations promulgated hereunder, where:
- (1) Such action is allowed by federal, state and local statutes and/or regulations,
 - (2) Is in the public interest, and
 - (3) Is not inconsistent with the purpose and intent of Article 21.
- B. Any applicant may submit a written request to be granted such a waiver. Such a request shall be accompanied by an explanation or documentation supporting the waiver request and demonstrating that strict application of Article 21 does not further the purposes or objectives of Article 21.

- C. All waiver requests shall be reviewed by the Board and if necessary, discussed with other Town departments. The waiver requests shall be discussed and voted on at the public hearing for the project.
- D. If in the Enforcement Officer's opinion, additional time or information is required for review of a waiver request, the Board may continue a hearing to a date certain announced at the meeting. In the event the applicant objects to a continuance, or fails to provide requested information, the waiver request shall be denied.

Section 14. Surety.

The Board may require the permittee to post before the start of land disturbance activity or construction activity, a surety bond, cash, or other acceptable security. The form of the bond shall be approved by town counsel, and be in an amount deemed sufficient by the Board to ensure that the work will be completed in accordance with the permit. If the project is phased, the Board may release part of the bond as each phase is completed in compliance with the permit but the bond may not be fully released until the Board has received the final report as required by Section 15 and issued a certificate of completion.

Section 15. Final Reports.

Upon completion of the work, the permittee shall submit a report, as outlined in the rules and regulations, from a Professional Engineer (P.E.) or Certified Professional in Erosion and Sediment Control (CPESC), a Certified Professional in Storm Water Quality (CPSWQ), or another certified professional identified in the rules and regulations, as appropriate. The report shall certify that all erosion and sediment control devices and stormwater management facilities along with approved changes and modifications have been completed in accordance with the conditions of the approved permit. Any discrepancies should be noted in the cover letter. (amended 8/31/2015)

Section 16. Certificate of Completion

The Board will issue a letter certifying completion upon receipt and approval of the final reports and/or upon otherwise determining that all work of the permit has been satisfactorily completed in conformance with the Stormwater Management Permit.

Section 17. Enforcement.

The Board of Sewer Commissioners or an authorized agent of the Board shall enforce Article 21, regulations, orders, violation notices, and enforcement orders and may pursue all civil and criminal remedies for such violations.

- A. Civil Relief. If a person violates the provisions of Article 21, regulations, permit, notice, or order issued thereunder, the Board may seek injunctive relief in a court of competent jurisdiction restraining the person from activities which would create further violations or compelling the person to perform abatement or remediation of the violation.

B. Orders.

- (1) The Board or an authorized agent of the Board may issue a written order to enforce the provisions of Article 21 or the regulations thereunder, which may include:
 - (a) Elimination of illicit connections or discharges to the MS4.

AN ACT TO ESTABLISH IN THE TOWN OF SHREWSBURY REPRESENTATIVE TOWN GOVERNMENT BY LIMITED TOWN MEETINGS

SECTION 1. There is hereby established in the town of Shrewsbury the form of representative town government by limited town meeting hereinafter set forth.

SECTION 2. Within thirty days after the adoption of this act there shall be created a temporary committee consisting of the selectmen and six registered voters of the town appointed by the moderator. Such committee shall study the provisions of this act and shall determine what in its opinion is a practicable percentage of the total registered voters to constitute a representative town meeting in the town of Shrewsbury and what is a practical number of precincts into which the town should be divided for the purpose of this act. Such committee shall submit its report together with recommended by-laws to the next annual town meeting or to a special town meeting called for the purpose of acting on such report and proposed by-laws.

SECTION 3. Within the limits established by this act the town of Shrewsbury shall determine by by-law the number of precincts into which the town shall be divided and the percentage of the registered voters which shall constitute the representative town meeting.

Sec. 3, Repealed by Ch 81, Acts of 1981

SECTION 4. Precincts. - Upon the adoption of the by-laws required by section three, the town of Shrewsbury shall be divided by its selectmen into precincts which shall be composed as nearly as practicable of homogenous neighborhoods. They shall be bounded whenever possible by the center line of known streets and ways or by other well-defined limits. These boundaries shall be reviewed, and if need be, wholly or partly revised, by the selectmen in December, once in five years, or in December of any year when directed by a vote of the preceding annual meeting of the town.

SECTION 5. Precinct Boundaries Publicized. - Within ten days after any establishment or revision of precincts, the selectmen shall file a report of their doings with the town clerk, the registrars of voters and the assessors, with a map or maps or description of the precincts and the names and residences of the registered voters therein. The selectmen shall also cause to be posted in the town hall a map or maps or description of the precincts as established or revised from time to time with the names and residences of the registered voters therein; and they shall also cause to be posted in at least one public place in each precinct a map or description of that precinct, with the names and residences of the registered voters therein. The division of the town into voting precincts and any revision of such precincts shall take effect upon the date of the filing of the report thereof by the selectmen with the town clerk. Whenever the precincts are established or revised, the town clerk shall forthwith give written notice thereof to the state secretary stating the number and designation of the precincts.

SECTION 6. Elections. - Meetings of the registered voters of the several precincts for elections, for primaries, and for voting upon any question to be submitted to all the registered voters of the town, shall be held on the same day and at the same hour and at such place or places within the town as the selectmen shall in the warrant for such meetings direct. The provisions of chapters fifty

to fifty-six inclusive, of the General Laws relating to precinct voting at elections, so far as the same are not inconsistent with this act, shall apply to all elections and primaries in the town upon the establishment of voting precincts as hereinbefore provided.

SECTION 7. Precinct Representation. - Each precinct shall be represented in the representative town meeting by elected representatives the number of which shall bear the same proportion to the total elected membership as the number of residents in the precinct bears to the total number of residents in the town as nearly as may be.

The number and size of precincts shall be such that the number of elected representatives shall not exceed two hundred and forty.

SECTION 8. Nomination. - Nominations of candidates for town meeting members to be elected under this act shall be from among the registered voters of the precinct. Nomination papers shall bear no political designation, shall be signed by not less than ten registered voters of the precinct in which the candidate resides, and shall be filed with the town clerk on the same day that nomination papers of candidates for other town offices must be filed. Any town meeting member may become a candidate for re-election by giving written notice thereof to the town clerk on or before the last day for filing nomination papers. The words "Candidate for re-election" shall be printed on the ballot opposite the names of such candidates, except those candidates who have been chosen as provided for in section eleven.

No nomination papers shall be valid in respect to any candidate unless his written acceptance is endorsed thereon or attached thereto.

SECTION 9. Election and Terms of Representative Town Meeting Members. - The Representative town meeting members, whose number shall have been determined as provided in this act, shall be elected by ballot by the registered voters in every precinct at the first annual town election following the establishment or revision of such precinct in conformity with the laws relative to elections not inconsistent with this act.

The first third, in the order of votes received, of members so elected, shall serve three years, the second third, in such order shall serve two years, and the remaining third, in such order shall serve one year from the first day of the annual town meeting. In case of a tie vote affecting the divisions into thirds, the members elected from the precinct shall by ballot determine the same.

Thereafter, except as is otherwise provided herein, at each annual town election the registered voters of each precinct shall similarly elect for the term of three years one third of the number of town meeting members to which such precinct is entitled; and shall at such election fill for the unexpired term or terms any vacancy or vacancies then existing in the number of elected town meeting members in such precinct. The terms of office of all town meeting members from every revised precinct shall cease upon the election of their successors at the first annual town election after revision.

The Town Clerk shall, after election of town meeting members, forthwith notify by mail each such member of his election.

SECTION 10. Members-At-Large. - The chairman of the Board of Selectmen and the chairman of the Finance Committee shall be members-at-large of the town meeting.

SECTION 11. Vacancies. - In the event of any vacancy in the full number of elected town meeting members from any precinct the vacancy shall be filled until the next annual town election from the list of defeated candidates for town meeting member from that precinct in the order of their recorded vote in the preceding town election. The defeated candidate having the highest number of recorded votes, and who otherwise qualifies, shall be deemed elected until all vacancies are filled. The Town Clerk shall forthwith on the occurrence of any vacancy notify such defeated candidate of his election and shall secure his written acceptance of his election. Failure to obtain such a written acceptance within ten days shall constitute a declination, and the Town Clerk shall thereupon notify whichever of the defeated candidates who are eligible and willing to serve and who received the next highest number of votes at such election until all vacancies are filled. In the event of a tie vote among such defeated candidates, and if there are fewer vacancies than such candidates whose votes are tied, the Town Clerk shall call together the town meeting members of the precinct where the vacancy occurs and they shall by majority vote of those members present, and by ballot, elect one of such defeated candidates to fill said vacancy. In the event there are no such defeated candidates, eligible and willing to serve, the Town Clerk shall call together the town meeting members of the precinct who shall elect by majority vote of those members present, and by ballot, any registered voter of the precinct to fill said vacancy. At such meetings a majority of such members shall constitute a quorum, and they shall elect from their own number a chairman and clerk. The clerk shall forthwith file with the Town Clerk a certificate of such election together with the written acceptance by the member so chosen, who shall thereupon be deemed elected and qualified as a town meeting member, subject to the provisions of those sections of this act respecting the election and qualification of elected town meeting members.

Amended by Ch 5, Acts of 1963

SECTION 12. Moderator. - A Moderator shall be elected, for a term of three years, by the registered voters of the town by ballot at every third annual town election and shall serve as the Moderator of all town meetings except as otherwise provided by law until his successor is elected and qualified.

The Moderator shall be a member of the Town meeting. Nominations for Moderator and his election shall be as in the case of other elective town officers, and any vacancy in such office may be filled by the town meeting members at a representative town meeting held for that purpose. If a moderator is absent, a moderator pro tempore may be elected by the town meeting members. The moderator shall be entitled to vote in case of a tie.

Amended by Ch 6, Acts of 1963

SECTION 13. Powers. - The articles in the warrant for every town meeting, so far as they relate to the election of the moderator, town officers, and town meeting members, and as herein provided, to referenda and all matters to be acted upon and determined by ballot, shall be so acted upon and determined by the registered voters of the town in their respective precincts. All other articles in the warrant for any town meeting shall be acted upon and determined exclusively by town meeting members at a meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, subject to the referendum provided for by section sixteen.

SECTION 14. Town Meeting. All town meetings shall be public. Subject to such conditions as may be determined from time to time by the members of the representative town meeting, any

registered voter of the town who is not a town meeting member may speak at any representative town meeting, but shall not vote.

A majority of the town meeting members shall constitute a quorum for doing business; provided, that a less number may organize temporarily and may adjourn from time to time, but no town meeting shall adjourn over the date of an election of town meeting members.

The town clerk shall notify the town meeting members of the time and place at which the representative town meetings are to be held, the notices to be sent by mail at least seven days before the meeting to each town meeting member at his address as it appears on the list of registered voters.

Any representative town meeting held under the provisions of this act, except as otherwise provided herein, shall be limited to the town meeting members elected under the provisions of this act.

SECTION 15. Provisions Relative to Town Meeting Members. - The town meeting members, as aforesaid, shall be the judges of the election and qualification of their members. The town meeting members as such shall receive no compensation. A town meeting member may resign by filing a written resignation with the town clerk, and such resignation shall take effect on the date of such filing. A town meeting member who removes from the town shall cease to be a town meeting member and a town meeting member who removes from the precinct from which he was elected to another precinct may serve only until the next annual town election.

SECTION 16. Referendum. - No article in the warrant shall at any representative town meeting be finally disposed of by a vote to lay upon the table, indefinitely to postpone, or to take no action thereunder. No vote passed at any representative town meeting under any article in the warrant, except a vote to adjourn, or a vote authorizing the expenditure of less than ten thousand dollars or votes appropriating money for the payment of notes or bonds of the town and interest becoming due in the then current financial year, or votes for the temporary borrowing of money in anticipation of revenue, or a vote declared by preamble by a two thirds vote of the town meeting members present and voting thereon to be an emergency measure necessary for the immediate preservation of the peace, health, safety or convenience of the town, shall be operative until after the expiration of ten days, exclusive of Sundays and legal holidays, from the date of such vote. If, within said ten days, a petition, signed by not less than five per cent of the registered voters of the town, containing their names and addresses as they appear on the list of registered voters, is filed with the selectmen asking that the question or questions involved in such a vote be submitted to the registered voters of the town at large, then the selectmen, after the expiration of seven days shall forthwith call a special meeting for the sole purpose of presenting to the registered voters at large the question or questions so involved. The polls shall be opened at two o'clock in the afternoon and shall be closed not earlier than eight o'clock in the evening, and all votes upon any questions so submitted shall be taken by ballot, and the check list shall be used in the several precinct meetings in the same manner as in the election of town officers.

The questions so submitted shall be determined by a vote of the same proportion of voters at large voting thereon as would have been required by law had the question or questions been finally determined at a representative town meeting, but no action of the representative town meeting shall be reversed unless at least twenty per cent of the registered voters shall vote in favor of reversing such action. Each question so submitted shall be in the form of the following question, which shall be placed upon the official ballot:--"Shall the town vote to approve the action of the representative town meeting whereby it was voted (brief description of the substance of the vote)?" If such petition

is not filed within said period of ten days, the vote of the representative town meeting shall become operative and effective upon the expiration of said period.

SECTION 17. Powers of Town and its Town Meeting Members. - The town, after the acceptance of this act, shall have the capacity to act through and to be bound by its town meeting members who shall, when convened from time to time as herein provided, constitute representative town meetings; and the representative town meetings shall exercise exclusively, so far as will conform to the provisions of this act, all powers vested in the municipal corporation. Action in conformity with all provisions of law now or hereafter applicable to the transaction of town affairs in town meetings, shall, when taken by any representative town meeting in accordance with the provisions of this act, have the same force and effect as if such action had been taken in town meeting open to all the voters of the town as organized and conducted before the establishment in said town of representative town meeting government.

SECTION 18. Certain Rights not Abridged. - This act shall not abridge the right of the inhabitants of the town to hold general meetings as secured to them by the constitution of this commonwealth; nor shall this act confer upon any representative town meeting in Shrewsbury the power finally to commit the town to any measure affecting its municipal existence or substantially changing its form of government without action thereon by the voters of the town at large, using the ballot and the check list therefor.

SECTION 19. Submission of Act. - This act shall be submitted for acceptance to the qualified voters of the town of Shrewsbury at the first annual town election after passage of this act, or at a special town election called for the purpose not less than ninety days before the date of said annual election. The vote shall be taken by ballot in accordance with the provisions of the General Laws, so far as the same shall be applicable, in answer to the question, which shall be placed upon the ballot to be used at said election:--"Shall an act passed by the General Court in the year nineteen hundred and fifty-three entitled 'An Act to establish in the town of Shrewsbury representative town government by limited town meetings' be accepted by this town?"

SECTION 20. Time of Taking Effect. - So much of this act as authorizes its submission to the registered voters of the town shall take effect upon its passage. Sections two and three shall take effect upon acceptance by a majority of the voters voting thereon, and the remainder shall take effect upon the effective date of the by-laws provided for by section three.

SECTION 21. Resubmission after Rejection. - If this act is rejected when first submitted it shall be again submitted at the next following state election in the year nineteen hundred and fifty-four and if accepted shall take effect as hereinbefore provided.

If this act is rejected for the second time when so submitted it shall be again submitted at the annual town election in the year nineteen hundred and fifty-six and if accepted shall take effect as hereinbefore provided. If this act is again rejected when so submitted for the third time, it shall thereupon become void.

SECTION 14. Investigation of Claims. - Whenever any pay roll, bill or other claim against the town is presented to the town manager, he shall, if the same seems to him to be of doubtful validity, excessive in amount or otherwise contrary to the interests of the town, refer it to the selectmen, who shall immediately investigate the facts and determine what, if any, payment should be made. Pending such investigation and determination by the selectmen, payment shall be withheld.

SECTION 15. Certain Officers not to make Contracts with the Town.
It shall be unlawful for any selectman, the town manager, or any other elective or appointive official of the town other than a town meeting member, directly or indirectly, to make a contract with the town, or to receive any commissions, discount, bonus, gift, contribution or reward from, or any share

In case such interest exists on the part of an officer whose duty it is to make such a contract on behalf of the town, the contract may be made by another officer of the town duly authorized thereto by vote of the selectmen. Violation of any provision of this section shall render the contract in respect to which such violation occurs voidable at the option of the town. SECTION 18. Contracts. - No contract existing and no action at law or suit in equity, or other proceeding pending at the time this act is accepted, or at the time of revocation of such acceptance, shall be affected by such acceptance or revocation.

SECTION 19. The vote shall be taken by ballot in accordance with the provisions of the General Laws, so far as the same shall be applicable, in answer to the following question which shall be placed upon the ballot to be used at said election: - "Shall an act passed by

It shall be the duty of all town officials having to do with elections and holding office at the time of acceptance to do, in compliance with law, all things necessary for the nomination and election of officers first to be elected under this act.

If this act is rejected when first submitted it shall be again submitted at the next following state election in the year nineteen hundred and fifty-four and if accepted shall take effect as hereinbefore provided. If this act is rejected for the second time it shall be again submitted at the annual town election in the year nineteen hundred and fifty-six and if accepted shall take effect as hereinbefore provided. If this act is again rejected when so submitted for the third time, it shall thereupon become void.

SECTION 20. Revocation of Acceptance. - At any time after the expiration of three years from the date of acceptance of this act, and not less than ninety days before the date of an annual meeting, a petition signed by not less than ten per cent of the registered voters of the town may be filed with the selectmen, requesting that the question of revoking the acceptance of this act be submitted to the voters. No such petition shall be valid unless notice thereof shall be published by the selectmen for at least two consecutive weeks in a newspaper having general circulation in the town, the last publication to be at least thirty days prior to said annual meeting. The selectmen shall thereupon direct the town clerk to cause the said question to be printed on the official ballot to be used at the next annual election in the following form: - "Shall the acceptance by the town of Shrewsbury of an act passed by the General Court in the year nineteen hundred and fifty-three, entitled 'An act establishing the selectmen-town manager form of government for the town of Shrewsbury' be revoked?" If such revocation is favored by a majority of the voters voting thereon, this act shall cease to be operative on and after the annual meeting next following such vote. All general laws respecting town administration and town officers, and any special laws relative to said town, the operation of which has been suspended or superseded by acceptance of this act, shall be revived by such revocation and shall continue to be in full force and effect. By-laws, votes, rules and regulations in force when such revocation takes effect, so far as they are consistent with the general laws respecting town administration and town officers and with special laws relating to said town shall not be affected thereby, but any other by-laws, votes, rules and regulations inconsistent with such general or special laws shall be annulled. If such revocation is not favored by a majority of the voters voting thereon, no further petition therefor shall be filed under this section oftener than once in every three years thereafter.
