

Residents on Shepard Lane, Park Street West, and on Holman Street between Main Street and Park Street will not have water from 8:00AM to approximately 2:00PM on Monday, November 4, 2019. This interruption of water service is necessary to allow for the installation of new valves at the intersection of Holman Street and Shepard Lane as part of the water main replacement project.

IMPORTANT NOTICE: Water Service interruption on Shepard Lane, Park Street West, and Holman Street between Main Street and Park Street on Monday, November 4, 2019, from 8:00AM to approximately 2:00PM.
