QUESTION 1

Shall the Town of Shrewsbury be allowed to assess an additional \$9,500,000 in real estate and personal property taxes for the purposes of funding municipal and school operating expenses for the fiscal year beginning July first, two thousand twenty one?

Summary: In 1980, the voters of the Commonwealth adopted a referendum that became G.L. Chapter 59, Section 21C, but is more commonly known as "Proposition 2½".

Proposition 2½ limits the tax levy of the Town, which is the total amount that can be raised by taxation, to an increase of two and one half (2½%) percent of the previous year's levy limit plus new growth. Accordingly, the levy limit for the fiscal year beginning July 1, 2021 (FY 2022), will be established by increasing the levy limit of \$77,695,673 (FY 2021) by 2½% and then adding the tax levy value of any new growth in taxable property. New growth for FY 2022 is expected to be in the range of \$856,000. New growth in the current fiscal year (FY 2021) was \$856,963. Previous years' new growth was \$1,121,615 in FY 2020, \$1,597,448 in FY 2019 and \$1,299,856 in FY 2018.

The present question seeks a permanent increase in the tax levy limit of Nine Million Five Hundred Thousand (\$9,500,000) Dollars for the purposes of funding municipal and school operating expenses for the fiscal year beginning July 1, 2021.

Town Meeting ultimately determines the total amount of appropriations (within the levy limit) and the appropriation is then met or raised by application of the local property tax rate upon assessed property values. If the full amount of the proposed increase of Nine Million Five Hundred Thousand (\$9,500,000.00) Dollars is used and appropriated by the Town Meeting for the first year (fiscal year 2022, from July 1, 2021 to June 30, 2022), the impact on the average single family home which is valued at \$481,819 will be an annual increase of \$704.34. If the Town Meeting does not appropriate all of the increased levy capacity, the impact will be lower, depending on the actual amount appropriated.

A "YES" vote will make available to the Town Meeting an additional Nine Million Five Hundred Thousand (\$9,500,000) Dollars in tax levy capacity beyond the current limitation established by Proposition 2½ (G.L. c. 59, s. 21C); and

A "NO" vote will not make additional levy capacity available to the Town Meeting.
